

**REMARKS**

Independent claims 1 and 12 are amended to accord the term "relative" the meaning intended. These claims now clearly specify which page the addresses of the ranges are referring or relative to.

Claims 1 and 12 are therefore now allowable over Anderson in view of Barnes and such allowance is respectfully requested. All of the remaining claims are dependent directly or indirectly on allowable claim 1 and are therefore also allowable.

It is respectfully requested that the Examiner withdraw the rejection under 35 U.S.C. 103(a) and allow all of the claims as amended above.

The Application is deemed in condition for allowance and such action by the Examiner is urged. Should differences remain, however, which do not place one/more of the remaining claims in condition for allowance, the Examiner is requested to phone the undersigned at the number provided below for the purpose of providing constructive assistance and suggestions in accordance with M.P.E.P. Sections 707, 707.07(d) and 707.07(j) in order that allowable claims can be presented, thereby placing the application in condition for allowance without further proceedings being necessary.

Respectfully submitted,
